

DHUL QA'DAH 1445

Use blessings correctly.

'The least right of Allah on you is that you should not make use of His favours in committing His sins' - **Saying 330, NahjulBalagha**

“And (remember) when your Lord proclaimed: "If you give thanks (by accepting Faith and worshipping none but Allah), I will give you more (of My Blessings), but if you are thankless, verily! My Punishment is indeed severe.'-
Ibraheem: Verse 7

What we are and what we have is all from the numerous blessings of Allah. If I am able to use my possessions, my time or my health and my body parts, in service to Him, it is a way of thankfulness for these favours. However, any misuse of these blessings would amount to being ungrateful. If I do not possess anything other than that it is from Allah, it is not possible to perform any action without using His favours.

- Can I think of one vice that I perform that leads to violating His Divine Right?
- Can I list 5 of His blessings upon Him and plan to use them appropriately today?
